

These 5 outcomes must be met **twice** by the end of the year:

- Work collaboratively with others
- Increase awareness of your own strengths and areas for growth
- Undertake challenges that develop new skills
- Develop international mindedness through global engagement, multilingualism and intercultural understanding
- Consider the ethical implications of your actions

These 2 outcomes must be met **once** by the end of the year:

- Persevere in action and commitment
- Initiate, discuss, plan and evaluate activities

All SA activities need to:

- Meet at least one of the above learning outcomes
- Address a need within a community (local, national, or global)
- Involve interaction with people
- Involve reflection on the outcomes and personal learning
- Have a level of commitment
- Have a responsible supervisor who understands the activity and will review your participation
