INVALID SERVICE AS ACTION ACTIVITIES

Service activities require action and must be a service to the community. The following is a list of activities, which would not fit into the SA criteria:

• An activity for which a student is personally rewarded, either financially or with some benefit (unless this benefit is passed on in full to a worthy cause.)
• All forms of duty within the family i.e. no party planning for cousins or babysitting.
• Work experience that only benefits the student (Joining a music group or sports team as a participant (but it is acceptable if it entails a leader-role!).
• An activity where there is no leader or responsible adult on site to evaluate and confirm student performance.
