

Bridge-Building Program 2024/25

M5 - Overview

26+27 August 2024

[Kolding Gymnasium](#)

8:00 - 15:00

*Students will visit Kolding Gymnasium to explore educational options, including the **IB Diploma Programme** and **STX**, Denmark's standard three-year general upper secondary education program.*

29+30 August 2024

[Campus Vejle](#)

8:00 - 15:00

*Students will visit Campus Vejle to explore educational options, such as **STX** (General Upper Secondary Education), **HHX** (Higher Commercial Examination), **EUX** (Vocational Education combined with a General Upper Secondary Examination), and **EUD** (Vocational Education and Training).*

September/October 2024

[1:1 meetings with a Career Counsellor](#)

8:00 - 14:00

Individual meetings with Ann-Louise, a career counselor from Billund Municipality. Ann-Louise will be available to help students clarify their educational plans and readiness for life after ISB.

23 October 2024

[Campus Vejle Workshop at ISB](#)

8:10 - 14:30

In collaboration with Campus Vejle, students will participate in a workshop focused on global politics, media, and technical aspects of production. This year, the project will center around creating a podcast on U.S. politics and the upcoming presidential elections.

6 November 2024

LEGO Moulding Academy - Meeting

16:00 - 17:00

*A meeting will be held to share information about career opportunities at the LEGO Group, focusing on the educational pathways provided by the **LEGO Moulding Academy**. Attendance is mandatory for M5 students and optional - but encouraged - for parents.*

21 November 2024

LEGO Moulding Academy

9:00 - 14:00

Students will visit the LEGO Moulding Academy in Billund to explore the educational and career opportunities available within the LEGO Group.

19 December 2024

Workshop/podcast Awards at Campus Vejle

8:00 - 15:00

Students will attend an awards ceremony at Campus Vejle where the best podcasts, created during the workshop in October, will be judged by a panel of students and teachers.

If you have any questions, please contact Tue (tra@isbillund.com) or Dino (dav@isbillund.com)

Bridge-Building Program 2024/25

M4 - Overview

September/October 2024

1:1 meetings with a Career Counsellor 8:00 - 14:00

Individual and collective meetings with Ann-Louise, a career counselor from Billund Municipality to discuss study readiness and explore future educational options after ISB. Students can visit the [UNG](#) and [UddannelsesGuiden](#) platforms using their Nem-ID to explore various Danish upper secondary education options. These platforms are also accessible from home, allowing parents to participate in the exploration process.

6 November 2024

LEGO Moulding Academy 16:00 - 17:00

A meeting will be held to share information about career opportunities at the LEGO Group, focusing on the educational pathways provided by the LEGO Moulding Academy. Attendance is mandatory for M4 students and optional - but encouraged - for parents.

12 November 2024

Workshop with Campus Vejle at ISB 08:10 - 14:30

*A collaborative workshop focusing on global technological and business trends, with key topics including media, big data, and consumer identities. Campus Vejle offers **STX** (General Upper Secondary Education), **HHX** (Higher Commercial Examination), **EUX** (Vocational Education combined with a General Upper Secondary Examination), and **EUD** (Vocational Education and Training).*

6 December 2024

Local Skills day in Grindsted

8:00 - 15:00

Students take part in a regional SKILLS competition, showcasing a range of vocational skills. The event highlights career paths in trades such as carpentry, cooking, IT, and more, encouraging students to consider vocational education.

31 March - 3 April 2025

Bridge-Building days in Grindsted Campus

8:00 - 15:00

*Students visit two schools of their choice to explore various educational and career opportunities, gaining insights into different vocational pathways. The options are **Syddansk Erhvervsskole Grindsted**, **Grindsted Landbrugskole**, **Social og Sundhedsskolen Esbjerg**, and **Grindsted Gymnasie- og Erhvervsskole**.*

If you have any questions, please contact Tue (tra@isbillund.com) or Dino (dav@isbillund.com)

Bridge-Building Program 2024/25

M3 - Overview

6 December 2024

Local Skills day in Grindsted

8:00 - 15:00

Students take part in a regional SKILLS competition, showcasing a range of vocational skills. The event highlights career paths in trades such as carpentry, cooking, IT, and more, encouraging students to consider vocational education.

13+14 May 2025

2 days Work Experience

8:00 - 15:00

A structured bridge-building program aimed at helping students gain practical experience in their fields of interest. With parental support, students will select and arrange work experience placements to explore potential career paths.
