

Bridge-Building Program 2025/26

M3 - students

19-20 May 2025

Work Experience

8:00 - 15:00

A structured bridge-building program aimed at helping students gain practical experience in their fields of interest. With parental support, students will select and arrange work experience placements to explore potential career paths.

M4 - students

August 2025

Parent meeting - introduction to bridge building

The BB programme for M4 will be introduced at the class meeting at the beginning of the academic year.

September/October 2025

1:1 meetings with a Career Counsellor

Optional individual and collective meetings with Ann-Louise, a career counselor from Billund Municipality, to discuss study readiness and explore future educational options after ISB. Students can visit the UNG and UddannelsesGuiden platforms using their Nem-ID to explore various Danish upper secondary education options. These platforms are also accessible from home, allowing parents to participate in the exploration process.

**International
School of
Billund**

10 September 2025

EuroSkills Herning 2025

EuroSkills Herning 2025 is a fantastic opportunity to experience the essential connection between vocational educations and the green transition, and how vocational education are indeed a lever for the green transition. <https://euroskills2025.com/>

5 December 2025

Local SKILLS Day in Grindsted

8:00 - 15:00

Students take part in a regional SKILLS competition, showcasing a range of vocational skills. The event highlights career paths in trades such as carpentry, cooking, IT, and more, encouraging students to consider vocational education.

9-12 March 2026

Bridge-building days in Grindsted Campus

8:00 - 15:00

Students visit two schools of their choice to explore various educational and career opportunities, gaining insights into different vocational pathways. The options are Syddansk Erhvervsskole Grindsted, Grindsted Landbrugsskole, Social og Sundhedsskolen Esbjerg, and Grindsted Gymnasie-og Erhvervsskole.

M5 - students

21 August 2025

Parent meeting - introduction to bridge building

The BB programme for M5 will be introduced at the class meeting at the beginning of the academic year.

September 1+2 2025

Campus Vejle

8:00 - 15:00

Students will visit Campus Vejle to explore educational options, such as **STX** (General Upper Secondary Education), **HHX** (Higher Commercial Examination), **EUX** (Vocational Education combined with a General Upper Secondary Examination), and **EUD** (Vocational Education and Training).

September 3+4 2025

Kolding Gymnasium

8:00 - 15:00

Students will visit Kolding Gymnasium to explore educational options, including the **IB Diploma Programme** and **STX**, Denmark's standard three-year general upper secondary education program.

September/October 2025

1:1 meetings

Optional individual meetings with Ann-Louise, a career counsellor from Billund Municipality. Ann-Louise will be available to help students clarify their educational plans and readiness for life after ISB.

For M4 and M5:

Other offers from UU in Billund Municipality during the year. Info will be shared on MB in advance once we receive it from UU Billund:

- Thursday 25 September: "Lærlinge messe" (Apprentice and student fair) in Magion
- Thursday 20 November 17:00-19:00: Grindsted Campus intro evening

28 October 2025

Workshop with Campus Vejle at ISB

8:10 - 14:30

In collaboration with Campus Vejle, students will participate in a workshop focused on global politics, media, and technical aspects of production. This year, the project will center around creating a podcast on U.S. politics and the upcoming presidential elections.

19 November 2025

LEGO Moulding Academy

16:00 - 17:30

*A meeting will be held to share information about career opportunities at the LEGO Group, focusing on the educational pathways provided by the **LEGO Moulding Academy**. Attendance is mandatory for M5 students and optional - but encouraged - for parents.*

26 November 2025

LEGO Moulding Academy

9:00 - 12:00

*Students will visit the **LEGO Moulding Academy** in Billund to explore the educational and career opportunities available within the LEGO Group.*

November 2026

Voluntary work experience days - M5

M5 Students will have the opportunity to visit a selection of 2 work experience days, including SOSU, Military, Police etc. This is organised through UU and is voluntary.

January/February 2026

Meeting with Ann Louise

Students will meet with Ann Louise, who will take them through application procedures for upper secondary education in Denmark, with the deadline of March 1.
